

## GUESTS

Welcome to the Knowlton Golf Club,

The entire team is happy to welcome you and make sure that your experience at our Club is exceptional.

Here are the current rules of the 2024 season.

We would like to wish you a wonderful day!

The KGC Team

### **Cellular Phones and Portable Electronic Devices**

We would like to remind you that cell phones are permitted on the course only for safety reasons and to communicate with the proshop (primarily to report issues or request carts). **Otherwise, it is strictly prohibited to use them on the course for voice or text functions. The same applies to common areas such as the terrace, bar and dining room.** Texting will be tolerated in the parking lot and on practice areas only, and we ask that you minimize usage and keep your phone on silent mode at all times. As for voice function, please use your car or one of the Club's offices on the second floor.

### **Golf**

There must be a member present in every foursome on the course. The same guest is limited to playing four times a season. No guest may play on the course prior to 10:30 a.m. on Saturdays, Sundays and statutory holidays. Furthermore, the golf cart is mandatory for all guests on Fridays, Saturdays, Sundays and statutory holidays. The pricing for the cart is automatically included in the guest green fee rate.

## Dress Code

Dear members,  
to maintain the tradition and ambiance of our golf course,  
we kindly request that all members and guests  
adhere to the following dress code:

### GOLF ATTIRE

Present yourself with a neat and respectful appearance.

We encourage you to maintain a level of sophistication even during inclement conditions.

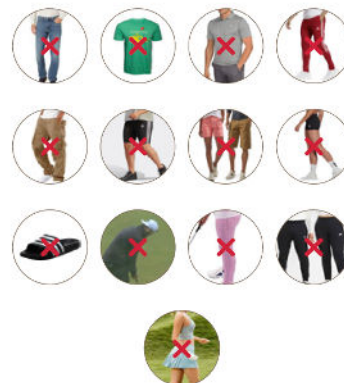

- Opt for tailored slacks or shorts/skirts/dresses. The length should be above the knee to mid-thigh.
- The preferred attire is tucked-in collared shirts.
- Hoodies and mock necks are only permitted if they are manufactured by a recognized golf brand.
- Golf shoes with soft spikes or spikeless designs are mandatory.
- Caps or visors are acceptable.
- Leggings covered by a skirt are permitted.
- The length of the skirt should not be shorter than mid-thigh. As a guideline, it should be equal to or longer than the middle finger on the thigh when the arm is extended.

- Attire such as blue denim jeans, t-shirts, tank tops, or casual athleticwear and urban streetwear are not permitted.
- Cargo pants and shorts are not permitted.
- Sandals, flip-flops or shoes with metal spikes are not allowed.
- Caps or visors are not permitted to be worn backwards.
- Leggings alone are not permitted.

### EXAMPLES

### CLUBHOUSE ATTIRE

Opt for smart casual attire that reflects a tasteful and respectful demeanour.

- Closed toe-shoes or elegant sandals are preferred.
- Golf attire is permitted.

- Attire such as blue denim, shorts, athleticwear are not permitted in the dining room.
- Sandals, flip-flops or shoes with metal spikes are not allowed.
- Gentlemen are to remove their hats and/or caps when entering the clubhouse.

## **Pace of play policy | 4 hours or less**

- 1) Players are responsible to keep up to the group in front (when the same # of golfers are following each other) of them at all times;
- 2) To be considered on pace, groups must be within 1 shot of the group ahead of them;
- 3) When there is no group in front to use as a reference, a playing time of a maximum 2 hours shall be used per 9 holes;
- 4) Groups unable to keep up will be moved to the appropriate position on the course;

### **Play ready golf**

The biggest contributors to slow play are players who are not ready to hit when they should. There is no penalty for playing out of turn. If the person who is furthest from the hole is not ready for whatever reason, take the initiative and hit your shot.

### **Lost balls**

Any player who may have lost their ball should not have the whole group look for it. It goes back to ready golf. If after you hit your shot and the player has not yet found his/her ball, go help them, but look quickly.

### **Initiative**

Have one "Captain" in the foursome who will take charge of ensuring proper pace of play. Perhaps the person who made the booking is the captain. All it takes is one person to recognize that if you haven't seen anyone in front of you for a while, you may have fallen behind.

### **Golf cart**

If carts are restricted to the cart paths, take a few clubs with you to your ball, especially if it lies on the other side of the fairway.

### **Score card**

Mark your score on the next tee deck. If you are on pace, you should always have to wait a few minutes on the group ahead of you to clear the landing area or green. This is where you should mark down the scores from the last hole.

### **Professional staff**

Please obey the Professional staff. If they ask you to pick up your pace, they are doing their job to ensure everyone, including your group enjoys their game. We welcome suggestions or comments on this important issue.

### **Course Maintenance**

It is essential for all members and their guests to respect the golf etiquette **by repairing their divots, ball marks on the greens and rake the sand traps at all times.**
