

**Invitation to the Annual BMP Foundation Charity Tournament**  
**in honor of Dr. William J. Barakett**

Dear Members,

It is with great pleasure that we invite you to take part in the 33<sup>rd</sup> edition of the Annual BMP Foundation Charity Tournament in honor of Dr. William J. Barakett which **will be held at the KGC on Thursday, June 20.**

**For this edition of the William J. Barakett Memorial, the BMP Hospital Foundation, all funds raised will be invested in the acquisition of a second arthroscopy tower for the Operating Room,** a piece of equipment valued at over \$200,000. The BMP Hospital now has 5 orthopedic surgeons performing arthroscopic procedures. Two of them specialize in arthroscopic shoulder surgery. This increase in supply means that a single arthroscopic tower is often problematic for the surgical program. This can lead to postponements of cases requiring this type of procedure. The acquisition of a second arthroscopy tower gives us the flexibility to evolve with two orthopedic specialty rooms with arthroscopic procedures. The BMP Hospital hopes to improve the fluidity of these procedures for the population of Brome-Missisquoi.

**Here is the schedule of this day which promises to be fun all while being for a great cause:**

Registration & Brunch | 10:30 a.m.
